Matter Jurisdiction in regards to the alleged Accused. The Alleged accused has made this legal Argument clear To the appointed Lawyer Administrative Judge Winston Webb on March 14, 2024 at the Ft. Oglethorpe, GA officer Shandi Hall #136 "Show Cause" hearing which officer lied and perjured herself to the Court and on the Audio Tape recorded hearing that was being recorded by Mr. David Tulis and is my witness to Cop Lying And Perjury.

Mr. Tulis is Also witness to me Submitting Paper and video disc as evidence to the Court Winston Webb on the same day on March 14, 2024 hearing with Judge Webb saying he is entering my evidence and he will take "Judicial Notice And Review" of which Judge Webb had No Authority to set the VOID CASE

For another court date on MAY 9, 2024 which he did Unlawfully Committing "Judicial Misconduct". Once Jurisdiction is challenged the presiding court must immediately prove it on the record with written legal paper documented proof, which Judge Winston Webb never did prove on March 14, 2024.
